

# MARTIN BIONICS MASTERS COURSE

**Date:** April 6, 2018

**Location:** The Point Orlando  
7389 Universal Blvd., Orlando, FL  
(407) 956-2000  
[www.thepointorlando.com](http://www.thepointorlando.com)

**Time:** 8:00 a.m. – 4:30 p.m.

**Cost:** OPGA Member \$369  
Non Member \$599

**Instructor:** Jay Martin CP, LP, FAAOP  
Founder and President, Martin Bionics

## Course Overview

- Attendees will learn how to fit and fabricate the Socket-less Socket™ system, as well as gain an understanding of which patients would benefit from the various configurations.
- Various types of fittings will be taught, including Swingbrim™ AK, cX Hybrid™ AK, cX™ AK and Icon™ BK.
- Ideally, **every practitioner attending will be encouraged to bring a patient** to the course to be fitted with various configurations with the anticipation that the socket will be delivered to the end user. **There is no cost to the patient for attending the course or for the definitive socket.**
- At the conclusion of the day there, will be an hour long discussion of experiences encountered during the various fittings and what was learned from them.
- **ABC has awarded course 7.5 scientific CEU's.**

**\*\* There will be a continental breakfast available in the morning and lunch will be served. Refreshments will also be available throughout the day.**
